

July 2021

*Land of the free,  
because of the brave*

*Happy Independence Day*

We made it to the wonderful month of July! Summer activities are in full swing here at ACC and we are looking forward to a fun month!

We continue to see a great need for in-home care for aging and disabled adults in our community and continue to work diligently to hire the best caregivers in our area. With two offices now in Lorain County, we are able to accommodate meeting and hiring in both locations, allowing more flexibility to accommodate schedules.

Don't hesitate to call us with any questions about our services and/or employment opportunities.

---

## Employee Highlight

---

*Aaron Weaver*  
**Business Development Manager**

Aaron is a Vermilion local and has been part of our team since 2014. He brings a diverse background in marketing, distribution, and nursing/homecare experience. His number one priority is providing honest and effective service to our clients, families and franchisees.
