

June 2021

The Sun is shining, our shades are on and we are ready for a fun Summer!

ACC Adult Home Care clients have the unique opportunity to enjoy the summer days! Did you know that we have an ACC Adult Home Care Golf Cart that our caregivers can use to provide our clients a fun, recreational ride around beautiful Downtown Vermilion? They can enjoy views of Lake Erie, stop for ice cream and wave at friendly folks along the way.

Just another way we are proud to provide the best care possible to our clients while they age at home.

What our clients are saying

“I recommend the services of ACC Adult Home Care, which gave me peace of mind that Dawn’s needs were constantly met, up to her passing away.” ~ Smitty Haller
