Avon office continues to grow!

We are extremely proud of the growth our Avon office has had in the past few months. We haven't skipped a beat when it comes to continually educating families, hosting interviews, hiring, training and community marketing. Even though, just like most of us, we have experienced challenges with finding new, qualified field employees; our staff has stepped up to the plate to meet the needs of our current clients, as well as new ones.

Our Assistant Care Coordinator, Meghan, has been an integral part of our growth and we couldn't be prouder. We have great plans for the Avon location as we enter into the latter half of 2021 and look forward to continuing to share it with you.

“I recommend the services of ACC Adult Home Care, which gave me peace of mind that Dawn’s needs were constantly met, up to her passing away.” ~ Smitty Haller
