## Food Drive Success!

We are extremely thankful for everyone who supported our food drive last week and donated! We were able to collect many non-perishable food items, personal care items and incontinence items that will be donated to the Lorain County Office on Aging. A huge thanks to Meghan for heading this event and helping it be a success. We will be picking a winner for each basket really soon, so, stay tuned for that!

If you were wanting to donate, but were unable to do so, you can always make a direct donation to the Lorain County office on Aging at any time. You can contact them at (440) 326-4800.
