# A Christmas Message

So, we made it to the last month of 2020!!!!

As we come to the end of 2020, we would like to say thank you to all who have partnered with us during this year to remember. Those who entrusted us with a loved one's care, who referred to us, who joined our team and our clients, we would like to wish you and your family a very Merry Christmas.

May the true spirit of the season reign in your hearts. Let's make this last month of the year the most special one yet. Let's make as many memories as possible. Let's spend time with those we love and celebrate those who we've lost.

Our new office in Avon is up and running and we are looking forward to a successful new year!

ACC Adult Home Care has been here for you in 2020 and will continue to be here for you in the year to come. We are blessed to call you our friends, neighbors, colleagues and partners. Here's to another special year!

*From our family to yours,*  
**Merry Christmas!**

## What our clients are saying

"ACC took the worry out of the process. They were kind and courteous. Their aides were prompt and efficient . they came into my uncle's home and not only helped him with bathing, cleaning the house, medication and meals, but they also took the time to talk to my uncle and truly care for him."
